Tablet Bag with Keyboard

00231013 “Premium” Tablet Case, w. Keyboard for iPad Air 13” (2026/2025/2024), blk

Highlightstext:

- Comfort and protection in one tablet case: The form-fitting tablet case protects the Apple iPad Air 13" (2026/2025/2024) from dirt, dust and scratches and, with the compact Bluetooth keyboard incl. touch pad, is the perfect work tool for on the go - ideal for business, study and mobile working
- More comfort on the tablet with the removable keyboard: even more flexibility thanks to magnetic, removable keyboard with touch pad - efficient and ergonomic working, wherever you want
- Stable stand for the tablet: simply unfold the tablet case using the sturdy metal hinge and conveniently use the tablet with the keyboard for work
- Like a notebook, but more compact: for those who are on the go a lot but who don't want to forego comfort while working, while writing a blog, preparing a presentation or answering e-mails
- No mouse needed: the handy keyboard with touch pad simplifies intuitive operation like on a laptop, tap on the keyboard and swipe on the screen without switching
- Handy protective case for the tablet and keyboard: magnetic closure tab for secure closure of the case only opens when it should
- Fits well in the hand: the practical tablet cover in an elegant design impresses with its particularly pleasant feel and wipe-clean surface
- With the tablet in its case, you have everything to hand: cut-outs allow full access to ports and control elements - all buttons, sockets, etc. are accessible as normal
- Practical and intuitive: media keys for specific functions of the relevant operating systems are integrated directly into the physical tablet keyboard
- Proven design: fast, easy cleaning and pleasant typing thanks to flat, individually offset keys - the tablet case keyboard always makes a professional impression
- Whisper-quiet for concentrated working: low-noise keys allow interruption-free and relaxed working without click sounds, making them ideal for meetings, seminars, etc.
- Activate with Fn: control multimedia functions via the secondary assignment of F keys - without having to use the tedious route of system settings
- Enable and disable the FN lock easily: swap the primary and secondary assignment of the F1 to F12 keys - so you can use the multi-media functions directly via the F-keys, for example, without having to keep the Fn button pressed too
- Maximum compatibility: the small Bluetooth keyboard can be used anywhere - if necessary for smartphones, laptops and desktop PCs with a Bluetooth receiver too
- Matt surface, discreet design: whether a casual blogger or a classic business type, the tablet case is the perfect match
- Ideal in a calm environment: the tablet keyboard's whisper-quiet keys and touch pad are ideal for working in libraries, archives, quiet areas, etc.
- Easy to clean: the outer surface of the tablet cover can simply be wiped clean with a damp cloth - the cover is quickly clean again
- Exact fit for the Apple iPad Air: perfect hold in the case, the external keyboard holds magnetically in the case and can be positioned individually if required
- Built-in rechargeable battery: the Bluetooth keyboard with powerful battery guarantees maximum flexibility
- With caps lock key LED, Bluetooth status LED, LED charging indicator, power LED, separate on/off switch and pairing key
- German keyboard layout (QWERTZ)
