Travel Plug

00223477 "Pro Light AC 30PD" Global Travel Adapter, 3-Pin, 1x USB-C, 1x USB-A, 30 W

Highlightstext:

- Adapter for connecting electrical devices in up to 200 countries with different socket systems with integrated quick charger ports via USB-C (PD) and USB-A
- The patented country slider system guarantees simple and safe connections in over 200 countries on all continents
- Room for more: Convenient charging of smartphones and tablets via USB-A and USB-C, while the adapter port remains free for other devices
- Ideal for quickly charging several devices via USB at the same time
- With 1 USB-A socket and 1 USB-C socket: ideal for all devices that are charged and operated via USB, e.g. tablet, smartphone, power pack, console
- Charge at high speed: the USB-C port supports Power Delivery and you can charge your tablet, smartphone, etc. extremely quickly with up to 30 Watts
- Compact travel plug for travellers from Europe
- Also equipped with 2 USB ports: USB-C with PD (max. 30 Watts) and USB-A (max. 20Watts)
- Can be used worldwide: USA, Australia, China, UK, Ireland and in more than 190 other countries
- Universal socket adapter for connecting 2- and 3-pin electrical devices with earthing contact, contour or Euro plugs
- For use with earthed and unearthed devices such as cameras, shavers and smartphone chargers, also suitable for powerful devices such as laptops and travel hairdryers
- High safety due to earthed contact and integrated, replaceable fuse
- Suitable for input voltages from 100V - 250V
- For use with sockets of type B, G and I
- For devices with plug type C, E + F

Note for Consumers:
There is no transformation of electrical voltage or change in mains frequency. Check the compatibility of your device before connecting it to the socket. The product is intended for temporary use only and is not designed for operation with other adapters.
Unsure whether the adapter is right for the destination? The Travelplugs assistant on the Hama website will help you find the right plug.

Please check the product information or operating manual of your terminal device or contact the manufacturer to see whether your terminal device supports PD (Power Delivery) quick charging technology. When both ports are used simultaneously, the maximum charging power is 12 W.

Technical characteristics:

- Colour: White
- Shade of colour: White
- Connection: USB Type A female/female
- Number of USB Ports: 2
- Power connector plug type: Type B (America), Type G, BS 1363 (Great Britain), Type I (Australia)
- Input Voltage Range from/to: 110-240 V
- Maximum Connected Load: 1680 W
- Socket Type: Typ E + F, CEE 7/7 (Europe), Type C, CEE 7 / 16 (Europe), Type F, CEE 7 / 4 (Germany)
- W x H x L: 5,5 x 7,7 x 6 cm
- Rated Current: 7 A

Delivery:

- 1 world travel adapter
- 1 operating manual
