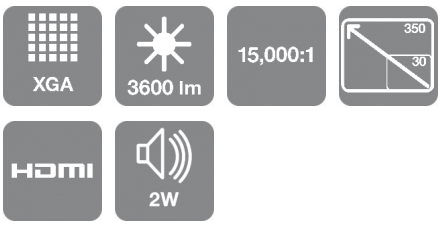
# EB-E10

DATASHEET / BROCHURE



## For business or entertainment, this high-quality and easy-to-use XGA, 3,600 lumen projector works equally well at home or in the office.

Don't let your need for a business projector hold you back from enjoying blockbusters on the big screen at home. This versatile XGA projector can do both. Even when there's ambient light, its 3,600 lumens and 3LCD technology are capable of delivering a bright and clear picture. And its incredibly long lamp life means it's great value for money.

### Bigger is better

Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 350 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products[1]. In addition to its bright and vivid colours, the 15,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

### High-quality, bright images

Even in bright rooms, this powerful yet affordable XGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,600 lumens.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source provideds you with 18 years' worth of entertainment[2].

### Stress-free set-up

Here's a projector that's designed with portability and quick set up in mind. The carry case makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI inputs.
