Wireless Charger

00201757 Qi2 Wireless Charger, Inductive Fast Charging, 3in1 Charging Station, 15 W

Highlightstext:

- Wireless, efficient and safer than ever with the Qi2 charger for fast charging: sleek inductive charging station with Qi2 wireless charging featuring precise, magnetic alignment - simply place any compatible smartphone, smart watch or headphones on the charger and charge them wirelessly
- Qi2 charger in high-quality design for the desktop: simply place the smartphone on the charging pad with the Qi2 standard and charge
- The integrated magnetic ring means that compatible devices can be easily docked onto the charger and perfectly positioned for efficient charging - without any fiddly manual alignment
- for every viewing angle: the smartphone holder can be inclined from 0 - 65 degrees so that you can view your mobile phone without straining your neck. You can rotate the smartphone itself on the wireless charger around 360° to suit, or position it in portrait or landscape format
- Even more wireless charging: headphones can be charged wirelessly with a maximum of 5 W on the silicone tray
- Halfway up the charging station: simply dock your Apple Watch and charge it wirelessly at up to 5 W
- Universal Qi2 standard: the induction charger works with all original Apple MagSafe products and Hama mobile phone cases with a magnetic ring, as well as with all Qi2-compatible devices
- Charging with USB-C also works: whether mobile phone, power pack or Bluetooth speaker with USB-C connection - these devices also have a refuelling option at the USB-C socket of the charging station
- High-quality and robust metal housing with rounded aluminium edges for an elegant look
- Wirelessly charge smartphones and other compatible devices with Qi2 technology
- Wireless fast charge technology guarantees extremely fast charging
- Smartphones in magnetic wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- Connected devices are automatically detected and optimally charged
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Table charger in appealing design looks good, feels good and fits perfectly in every office and home environment with its discreet black-anthracite design
- Wireless fast charge: fast charger with charging speeds of up to 15 W
- The stand holder conveniently allows you to use the smartphone while it is charging, watch films in landscape and portrait format and hold video calls - ideal for office and home office
- Charging begins automatically after the smartphone is docked
- Discreet light of the LED function indicator on the headphone charging pad provides information about the charging status, switches off when fully charged
- To end the charging process, simply remove the smartphone from the wireless charging pad
- Safe and intelligent charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- With flexible charging cable: no knotting and extremely bendable - with durable outer layer made of braided nylon
- Power supply via recessed USB-C socket so that the plug does not protrude annoyingly

System Requirements:
- With wireless charging technology based on the Qi2 standard-compatible device (e.g. smartphone, AirPods, etc.).

Note for Consumers:
This charger features the original Qi2 certification, which guarantees that the charger meets the Qi2 standards in terms of performance and safety.
The Apple Watch charging module is MFI-certified and suitable for Apple Watches of all generations. Apple sets down strict quality standards and verifies these before the products are launched onto the market.
Supports fast charging for Apple Watch Ultra 2, Apple Watch Ultra and Apple Watch series 7 or later. Backwards-compatible: supports

Technical characteristics:

- Colour: Black
- Shade of colour: Black
- Connection: USB-C-Connector
- Input: 12V/3A, 15V/3A, 5V/3A, 9V/3A
- Charge Technology: Wireless Fast Charge
- Input Voltage Range from/to: 5-15 V
- Output Voltage: 5
- QI certification: Yes
- Upload Speed: Fast Charge
- Height: 120 mm
- Length: 150 mm
- Weight: 373 g
- Width: 120 mm
- Input Voltage 1 / Max. Input Current 1: 5 V / 3 A
- Input Voltage 2 / Max. Input Current 2: 9 V / 3 A
- Input Voltage 3 / Max. Input Current 3: 12 V / 3 A
- Input Voltage 4 / Max. Input Current 4: 15 V / 3 A
- Max. Output Current 1: 1.5 A
- Max. Output Power: 15 W
- Required accessories: Charger
- Recommended Use: Smartphone
- Suitable for: Handy
- Usage: Smartphone

Delivery:

- 1 wireless Qi2 charger
- 1 fast charger
- 1 USB-C cable
- 1 instruction manual
