DEVICE MOUNTING SOLUTIONS

Holder with key-lock

For fixed installation. With Easy-switching system. Charging via pogo pins. Fits for device without original boot. 2,7A charging. 12/24V. 2 keys included.

Item no: 736307
EAN Number: 7320287363074

This holder is the perfect choice when you want to secure your device and still have it easy accessable, while getting the battery charged. Customed with a perfect fit for device without original boot. The holder has an extra robust design for an extra secure fit, and is equipped with a lock. In order to remove the device from the holder you need a key (two keys are included). Easy one-hand insertion and removal. You have full access to the camera and all buttons and outlets when the device is in the holder.

With power supply, charging via pogo pin connection. An active holder which is to be connected inside the dashboard, this gives a discreet, neat installation without cables hanging over the interior! You can choose to use the holder as an active holder for charging of your device only, or to connect an adapter to the Molex connector for additional features. Then you can use the holder also for power supply of an additional device or other own solutions (can not be used for data communication or audio connection). 12/24 Volt. The product is E-approved. Connect the power cable with a 2 A fuse. 2,7 A charger. Professional installation recommended.

Easy-switching system:
The easy-switching system enables you to upgrade the holder only, and keep the installed cables. It saves you a lot of time when upgrading to a new device, or for maintenance in case of warranty or damage. You simply disconnect the holder from the charging cable via the Molex 6-pin quick connector, and then connect the new holder. The switch is done in a few seconds.

The holder is equipped with a tilt swivel so you can easily adjust the angle for better viewing, or switch between portrait and landscape mode. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade ABS/Acetal plastic. Color: black. Made in Sweden. Attach the holder to any flat surface or a Pedestal Mount in a truck, distribution vehicle, warehouse etc.

Fits the following models:
Zebra TC53
Zebra TC53e
Zebra TC58
Zebra TC58e

Measurements:
Height 216 mm
Width 92 mm
Depth 70 mm
Volume 1391 cm³
Weight 410 g

Charging specifications:
- Input voltage: 10-30VDC
- Charging voltage: 5.4V
- Output current (Typ): 2.7A
- Rated power:15W
- Input & output protection: Input polarity reversal/Output over voltage/Output over current/Output shortprotection
- LED charging indicator: Power input indicator(Green), Ovp/Ocp/Output short (Red)
- DC-DC Conversion Efficiency: 88%
- Operating temperature: 0°C ~ +40°C
- Storage temperature: -20°C ~ +80°C
- Made of material: ABS+PC
- Approvals: CE, E-mark, FCC, RoHS
