Monitor Arm

00220905 Monitor Mount, Gas Spring, Height-adjustable, Swivel/Tilt, 17"-35"

Highlightstext:

- More ergonomics, comfort and space at the desk: with the fully mobile monitor stand, the position of your screen-based workstation adapts to you, not the other way round - for an ergonomic posture with less neck and back pain
- Make a safe choice with our tested safety and 10-year warranty: exacting stress, stability and functional tests guarantee high quality standards
- Height adjustment with just one action: the high-performance gas spring allow the height of any monitor, including heavy ones, to be adjusted with ease - perfect for desk sharing
- For an ergonomic workstation: This monitor holder adapts to your personal requirements and posture. Whether you need stepless height adjustability, swivel and tilt functions, pull-out capability or portrait or landscape formats, this is how ergonomics works in the office and home office
- Full-screen rotation: 360° rotate for optimum orientation, perfect for landscape and portrait orientations for special software requirements – simply rotate the monitor depending on the task, program and comfort
- For tidy workstations: Cable management guides the monitor cable tidily behind the screen, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief
- Fast and straightforward desktop installation: The monitor holder is attached to the desk in no time at all with the clamping screw - simply attach it to the desk from above and tighten it
- Easy installation of the screen - first put the VESA plate on the monitor, then screw it to the screen holder, and you're done
- Drill-free clamp mounting or fixed by drilling: Thanks to a wide range of fastening material, the device can be perfectly positioned anywhere – with or without drilling, the choice is yours
- Work, game and surf while protecting your back: inexpensively and ergonomically retrofit your desk, making it ideal for hours-long gaming sessions too
- For the installation of a TFT/LCD/LED monitor with a screen diagonal of 43 to 89 cm (17" to 35")
- Whether it be the office or gaming, flat or curved: also suitable for curved monitors
- Compatible with screens with the following VESA standards: 75 x 75, 100 x 100
- Stepless height adjustment up to 54.3 cm
- Up to +/- 45° continuous tilt
- Monitor arm pivotable up to 180° at 3 joints
- The monitor arm can be extended up to 42.3 cm
- For clamping to table tops with a thickness of 1.5 to 4.5 cm
- Supplied foam for the clamp holder protects your desk from scratches and traces of wear

Technical characteristics:

- Colour: Black
- Line: Dynamic Flex
- Shade of colour: Black
- Ergonomics: Height adjustable with gas spring
- Material: Steel
- Maximum Load: 15 kg
- Maximum load per monitor arm: 15 kg
- Maximum swivel range: 180 °
- Model: LCD Monitor Arm, Monitor Arm
- Monitor mounting standard: VESA incl. Adapter Plate
- Rotation: 360 °
- Tilt +/-: 45 / 45 °
- Max. Monitor Size: 89 cm
- Screen Dimensions: 89 cm (35")
