belkin

Product made with recycled plastic†
100% plastic-free packaging

UltraCharge Pro
Laptop Power Bank 27K*

This powerful 27K* power bank fast charges two laptops at once, delivering up to 140W for a single device or 240W shared. It features a built-in USB-C® cable, plus USB-C and USB-A ports for all your essentials. TSA carry-on compliant,‡ the digital display shows the remaining battery level and charging status.

Product Benefits

- 240W max power output
- 27K battery capacity* provides 22 extra hours for a MacBook Pro 14§
- Fast charge three devices at once with integrated braided USB-C cable, USB-C port and USB-A port
- Digital display shows battery status
- TSA carry-on compliant, 99.99 watt-hours (Wh)‡
- Belkin SmartProtect assures safety with rigorous testing
- Pass-through charging allows the power bank to charge devices while it's being charged up to 100W (excluded for BPB040twCH)
- Recharge the power bank using integrated cable
- Universal USB-C compatibility for laptops, tablets, phones and earbuds
- Precharged and ready to use out of the box
- Made with 90% PCR materials† and plastic-free packaging
- 2-year warranty and $2,500 Connected Equipment Warranty**

Compatibility

Universal compatibility supports fast charging USB-C PD devices and standard charging of USB-A devices.

Technical Specifications

- 27K mAh battery capacity*
- Power
  - Input: 100W max USB-C
  - Single output: 140W max USB-C
  - Dual output: 240W max for 2 USB-C
  - Triple output: 238W max for 2 USB-C + 1 USB-A
  - Pass-through charging: 100W max USB-C (excluded for BPB040twCH)
- Dimensions: 6.9 in./175mm (L) x 3.5 in./89.5mm (W) x 1 in./26.3mm (H)
- Weight: 21 oz./584g
- Color: charcoal

Package Includes

- UltraCharge Pro Laptop Power Bank 27K

The Belkin UltraCharge Family

UltraCharge delivers charging that's effortless, fast and built for the way you live. Evolving from our proven BoostCharge series, it's wireless charging engineered to be as fast as wired. ChillBoost active and passive cooling technology is designed to reduce heat and protect battery life. Universal Qi2 compatibility ensures seamless performance with MagSafe and all Qi2-enabled devices.

The Belkin Difference

- Trusted by 1 billion+‡‡
- Pioneer in innovation and technology for over 40 years
- Extensive testing procedures guarantee quality and durability

The Belkin UltraCharge Family Characteristics

- The World's First Qi2 25W Certified Collection
- ChillBoost active and passive cooling technology to reduce heat†† during fast charging
- Belkin SmartProtect ensures reliability with rigorous testing process and superior hardware design
- Widespread compatibility
- Certified by relevant bodies for compatibility (examples include Qi2 25W, USB-IF, MFi)
- Connected Equipment Warranty up to $2,500**

*Contains a 27,500 mAh internal battery. Amount of discharge to user's device is less and may vary depending on various conditions.
†Product housing (excluding cable) made from a minimum of 90% post-consumer recycled plastic.
‡Watt-hour (Wh) calculations are estimates based on nominal voltage and capacity; actual power output may vary.
§Maximum additional video playback hours calculated by comparing the cell capacity of this power bank with the maximum video playback hours achievable by the MacBook Pro 14 under normal conditions. Actual results will vary depending on varying factors for individual users.
**Belkin will repair or replace electronic devices damaged by an electrical charge while properly connected to this power bank, up to $2,500US/AU/€2,000/£1,500. Visit belkin.com/cew for details.
††Charging technology designed for enhanced heat dissipation. Actual temperatures will vary based on device, usage and environment.
‡‡Belkin has sold over 1 billion products globally since 2000.
