## Key features

**Built-in Webcam:** Ready to meet, chat and learn with a webcam and built-in microphone at the top of the screen, the monitor delivers enhanced convenience. When the webcam isn't needed, simply push it down into the monitor to hide it. This smart design offers enhanced security and maintains the sleek look of the monitor.

**Instant Windows login:** Get going immediately with the integrated facial recognition solution that uses biometric sensors via the monitor camera to log in, without the need to type a password. In just a few seconds, you can sign into any Windows 10 device, app or website, providing enhanced security and efficiency.

**75Hz Refresh rate:** The rapid 75Hz screen refresh rate minimizes image lag and motion blur for a smoother display.

**Eco Saving Plus<sup>1</sup>:** Eco Saving Plus technology can reduce up to 10% of power consumption when compared with the maximum brightness level by adjusting the brightness of the screen's black sections automatically.

## The perfect pose

Swivel

Tilt

Pivot

90° to the right

HAS

Height Adjustable Stand

## 3 year warranty

## What's in the box?

All tests and measurements were conducted by Samsung internally.

<sup>1</sup>Based on internal testing data of S80PB, S80TB and T45F monitors only. Testing compared energy usage of these models with Eco Saving Plus mode switched on high setting and switched off. Actual energy savings may vary based on usage conditions, brightness levels, and model selected. Eco Saving Plus is not available in Dynamic Contrast Mode, Game Mode, Eye Saver Mode, or when PIP/PBP Mode is on.
