Highlightstext:

- Unique mobile phone protection for the Apple iPhone 17 Pro Max/18 Pro Max: D3O-licensed mobile phone cover is the bodyguard for your smartphone with impact protection, drop protection and scratch protection
- High-end cover with D3O® licence: this bumper case guarantees shatterproof and shockproof drop protection - durable mobile phone protection in all situations
- Drop it like it's hot: 10 times in the test! The mobile phone case is made for the most extreme conditions - drop-proof up to a height of 3.5 m, tested and certified to military standard MIL-STD-810Hw
- Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket
- Transparent mobile phone case with no yellowing: long enjoyment of your cover since the special material composition delays yellow discolouration
- The mobile phone case is compatible with original Apple MagSafe and magnetic Hama Wireless Charging chargers
- Compatible with magnetic accessories from Hama
- Integrated, perfectly orientated magnetic ring allows wireless charging
- Perfect auto-positioning, optimised for wireless chargers
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- A clean sweep: The mobile phone case also covers the side buttons - this protects against dust and enables a perfect pressure point
- Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Shock-resistant corners thanks to material reinforcement for even more safety in the event of bumps and falls
- The highlight: the mobile phone with the cover lies flat on the table etc. with the small feet on the corners, creating a straight surface with the camera protection so the mobile phone does not wobble
- Flexibility: easy to attach to your smartphone
- Suitable for wireless charging
