Cabin Roller FIVE 12-14

Premium business mobility without compromise.

The Cabin Roller FIVE is a safe, functional, and eco-friendly companion for overnight trips.It features a laptop compartment for reliable protection as well as an internal tablet compartment. The four-wheel system makes maneuvering a breeze. A special, spacious compartment for your clothes or other essential items makes it the perfect travel companion for trips lasting several days. IATA-compliant, with a TSA lock.With an additional cover for the clothing compartment and a transparent, removable zippered pocket, every detail has been thought through so you can pass through security checks quickly and easily, while the front features structured compartments for accessories.Thanks to its practical design and sustainable rPET construction, it perfectly combines sustainability with everyday practicality.
