Lens Screen Protector

00228595 "Cam Protect" Cam. Prot. f. Samsung Galaxy S26 Ultra, Shockp., Scratch-res.

Highlightstext:

- Protecting the mobile phone camera made easy: optimal protection of the sensitive smartphone camera lenses against scratches and knocks – absorbs external impacts and reliably protects the camera of the Samsung Galaxy S26 Ultra
- Resilient camera protection: impacts, scratches and the like are no problem for the durable and robust protective glass thanks to its 9H hardness
- No photo impairment: the camera cover offers protection for the projecting camera lenses without impairing the quality of the photographs – for a carefree way to take pictures and videos
- Especially durable and robust camera protection made from tempered glass: perfect-fit and strong protection for camera lenses – prevents shattering, breakage and scratching of the camera lenses
- Unobtrusive: the transparent, form-fitting camera protection guarantees secure protection
- Two simple steps to achieve camera protection: clean the camera lenses, pop the camera cover on - done
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Cost-efficient: increases the life of the camera and avoids high costs for repairing and replacing the mobile phone camera glass
