

HP Everyday Photo Paper delivers colourful, everyday A4 sized photos and 10 x 15 cm snapshots at a low cost. This affordable, semi-gloss paper dries quickly for easy handling. Get sharp, crisp images when you use this paper with any inkjet printer.

Ideal for proof sheets, emails and Internet downloads.

Print on any inkjet printer with this versatile photo paper and enjoy the same smooth, crisp semi-glossy results, every time. Use with the HP print system for the uncompromised quality and reliability you count on from HP.

Be spontaneous – print fast-drying, colourful photos and enjoy noticeably better results than printing on plain paper. The sturdy weight and feel give an instantly better first impression.

Put the fun back into photo printing. HP Everyday Photo Paper dries quickly so you can handle your prints immediately without smudging or smearing.

Universally compatible with any Inkjet printer

Weight: 170 g/m²
