**NEW! PRIVACY  
SCREENS FOR  
TABLET**

Keep your business your business,  
with new privacy screens for:  
Surface Pro 3,  
iPad Air  
& more

Targus Privacy Screens  
are the simplest, most  
effective way to protect  
your on-screen data

- > No onlookers can view information from either the left or right side of your screen
- > Onlookers only see a dark, unclear screen
- > On-screen data is only viewable when you are directly in front of the screen
- > Employees can work comfortably, safely, and more productively with confidential business, without the risk of compromising private company data or personal information
