

Lenovo ThinkPad E15 GEN 3

Primed and ready to take on almost any business task, the latest generation of ThinkPad E15 Gen 3 comprises everything you expect from a ThinkPad and everything you want from a modern notebook. Powerful AMD Ryzen™ 5000 Series mobile processors deliver state-of-the-art performance, with the choice of two AMD family offerings to suit any requirement.

Stylish Aluminum top cover, razor-thin bezels make it truly user-focused. MIL-SPEC testing and robust security ensure data and device are protected. Take on all you can handle and more on ThinkPad E15 Gen 3.

DOMINANT PROCESSING TECHNOLOGY

Equipped with the latest AMD Ryzen™ 5000 U-series mobile processors, the ThinkPad E15 Gen 3 delivers benchmark performance¹ in a business PC. Built on the new AMD Zen 3 architecture, the U-series mobile processors lower system latency and accelerate overall computing, so you can power through every task.

ADVANCED USER EXPERIENCE

Get uncompromised visuals on the 1080p IPS² panel that ensures detail and clarity, while up to 300nits of brightness lets you view its contents outdoors or in brightly-lit environments. ThinkPad Glance technology, using the IR camera² for face, eye, and gaze-tracking, offers Snap Window, Presence Detection, and Smart Pointer functions for a seamless navigation experience.

SPLENDID DESIGN

Designed to look the part in any business scenario, the E15 Gen 3 is a professional PC that appeals to the modern workforce thanks to its slim build and Aluminum top cover. It weighs 1.7kg and is only 18.9mm thin, so you can take it anywhere. A screen-to-body ratio of 85% gives you a premium-looking screen without thick bezels to weigh it down. Moreover, the device is MIL-SPEC tested, making it durable and reliable in equal measure.

CONFERENCING FEATURES UPDATED

Dual mic arrays and 720p HD camera¹ make meetings seamless—at home, on the move, or in the office. If required, the option to connect headsets through the combo audio jack and up to Bluetooth® 5.2 adds a layer of privacy to office meetings.

performance

The latest generation AMD Ryzen™ 5000 U-series mobile processors are powerful enough to handle heavy-duty tasks like content creation and graphic design. Dual SSD storage and up to 24GB DDR4 memory ensure lightning-fast responsiveness and a smooth computing experience.

connectivity

A wide array of ports, including HDMI, RJ45, and three USB ports, enable connections to multiple external devices. Adding flexibility and convenience, the full-function USB Type-C offers data, power, video, and audio transfers from a single port. Wi-Fi 6² compatibility ensures a higher network speed and broader bandwidth.

security

The data and device are safeguarded with multiple security features on the E15 Gen 3. Log in instantly with facial recognition using the IR camera,² or with the FPR integrated² on the power button. Maintain webcam privacy by simply sliding the ThinkShutter camera cover when not in use.

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{3,4}

ACCIDENTAL DAMAGE PROTECTION (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{3,4}

WARRANTY EXTENSION

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.³

¹Optional

²Requires Skype for Business account, not pre-installed by Lenovo.

³Up to 5 years total duration

accessories

THINKPAD BLUETOOTH LASER MOUSE

PN: 0A36407 / 0A36408

The portable, ambidextrous ThinkPad Bluetooth Laser Mouse is perfect for everyday and on-the-go use. It delivers extraordinary control on virtually any surface. Scroll through documents, spreadsheets, and more with increased accuracy and control with its high definition laser sensor and tilting scroll wheel.

LENOVO 100 STEREO USB HEADSET

PN: 4XD0X88524

An on-ear business-ready stereo USB Headset with a rotatable boom microphone and passive noise cancellation, perfect for calls and music. Its memory foam and leather earcups make it light and comfortable enough to wear and use all day. 30 mm drivers with neodymium magnets deliver excellent audio for calls and music, while its adjustable headband and boom mic allow either left-side or right-side wearing.

THINKPAD ESSENTIAL PLUS 15.6-INCH BACKPACK (ECO)

PN: 4X41A30364

With the perfect blend of professionalism and athleticism, the ThinkPad Essential Plus 15.6" Backpack (Eco) can take you from the office to the gym and back with ease. Spacious compartments keep your devices and essentials secure, organized, and accessible, while ballistic nylon and rugged hardware protect against the weather and daily wear.
