DICOTA

Spin Backpack 14-15

Sportive backpack for notebook

Thanks to the lockable notebook compartment. Spin Backpack lets you carry your notebook securely and comfortably. The spacious main compartment offers plenty of room to store your personal belongings. Accessories such as pens or mobile phone can be placed in the front pocket. The detailed workstation helps to keep everything in the right place.

You can conveniently place your mobile phone or MP3 player in a small pocket with outlet for the headphones. So nothing can keep you from listening to music while you are on your way. Furthermore this backpack features a practical slot for tablets up to 10". With its breathable back padding and padded shoulder straps, Spin Backpack is the perfect companion for comfortable transportation.
