## ARTICONA Essential iPad Stylus

Article number: 4989922

The ARTICONA Essential iPad Stylus provides a smooth and reliable writing and drawing experience on your iPad.

Whether taking notes, sketching ideas or navigating through apps, the stylus enables precise and comfortable input.

Designed for everyday use, the lightweight stylus is ideal for students, office work and home use.

The simple on/off operation makes it easy to start writing or drawing instantly.

For added durability, the USB-C charging port is protected by a rubber cover to help prevent dust or damage during daily transport, for example when carried in a bag or backpack.

### Highlights

- Smooth and precise writing and drawing on iPad
- Tilt sensitivity for natural line variation
- Palm rejection / anti-mistouch function
- Supports magnetic attachment to compatible iPads
- USB-C charging port with protective rubber cover
- Easy to use with simple on/off switch

### Technical Specifications

- Battery life: up to 10 hours
- Charging time: approx. 30 minutes
- Automatic power-saving mode after 5 minutes of inactivity
- Charging interface: USB-C
- Integrated Li-ion battery
