

## Cleaning Foam

00221096 Screen Cleaner, Foam + Cleaning Cloth, 200 ml, TV, Office + Kitchen

### Highlightstext:

- No streaks, no stripes: whether it be a TV, monitor, smartphone or tablet, this display cleaner allows an unclouded view of the screen again
- Anti-static ingredients prevent dust build-up after screen cleaning
- Very high-quality and extremely absorbent microfibre towel for lint-free cleaning
- Gentle and caring: no aggressive solvents such as alcohol, butyl glycol or methanol
- All-rounder for the whole household: efficiently and gently removes dust, dirt and grease from all types of TV screens (LCD, LED, OLED, TFT), laptops, tablets, smartphones, e-readers, scanners, copiers, but also from surfaces made of plastic, glass and metal
- Screen cleaning made easy: apply the TV cleaning foam to the screen cleaning cloth, rub it in and wipe it off with a dry cloth - done
- Economical and sparing to use
- The microfibre cloth (80% polyester, 20% polyamide, 20x20 cm) is washable
- If you clean the TV screen and other monitors regularly you will prolong the life of the equipment
- The TV cleaning set includes everything you need for cleaning the screen

### Note for Consumers:

- Always follow the device manufacturer's instructions.
- Test on an inconspicuous area to ensure material compatibility before applying to larger areas.
- Before cleaning, ensure that your device is switched off and has cooled down (if necessary disconnect the plug) to avoid smear formation.
- Only clean the device at room temperature.
- Shake well before use.
- Only use the cleaner upright.
- Escaping liquid gas can cause freezing / material damage.
- Apply the cleaner to a lint-free cloth. Avoid applying the cleaner directly to the device so that no fluid can penetrate the interior of the device and possibly damage it.
- Do not exert too much pressure on the surface to avoid scratches caused by specks of dust.
- Distribute the cleaner on the screen with the cloth and then rub the screen dry with a dry part of the microfibre cloth. This first releases the dirt and then wipes it away together with the cleaner.
- Dispose of in accordance with local regulations.

### Technical characteristics:

- Product Division: HiFi, TV & Home Cinema
- Content: 200 ml
- Suitable for: Screen

### Delivery:
