

# Great audio clarity for voice calls and listening to music.

## DELL PRO STEREO HEADSET - UC150 SKYPE FOR BUSINESS

### Great audio clarity for optimized voice calls and listening to music

Put on the Dell Pro Stereo Headset - UC150 and experience great audio clarity whether you're on a conference call or listening to your favorite music. Enjoy enhanced in-person call quality and music clarity with HD wideband voice and a dynamic equalizer.

UC150 works with most major unified communication platforms, and is certified for Skype for Business.

### Enhanced voice with built-in noise cancelling mic

The Dell Pro Stereo Headset - UC150 features a built-in noise cancelling mic, so that only your voice will be picked up and not the surrounding background noise. Foam earpads cushion your ears so you can listen in comfort.

### Easy call management

A control unit lets you conveniently manage call functions with the touch of a button. You'll be able to pick up calls, hang up, and control volume and mute functions with ease.

### Quick setup with plug and play

Get started right away with plug and play without needing to download any software. Simply plug in the headset and call in to your next meeting.

### Enjoy peace of mind

Tested and certified on Dell systems, the UC150 is certified for Skype for Business, so you can rest easy, knowing your new headset meets the highest specifications in the industry.

#### Optimized for unified communications

UC150 works with most major unified communication platforms, and is certified for Skype for Business.

#### Enhanced built-in noise cancelling mic

Focuses on your voice, not background noise so you are crystal clear during calls.

#### Quick setup

No need to download software — just plug and play.
