Whether you're navigating busy city streets or boarding a plane, the UrbanOne Travel Backpack adapts seamlessly to your lifestyle. Crafted with a water-repellent main outer fabric from recycled PET bottles and a lining made from recycled, dope-dyed fibers, this backpack stands out not only for its functionality but also for its thoughtful design. Featuring a padded compartment that fits laptops up to 15.6", a spacious main compartment and multiple interior pockets, it keeps your gear secure and well-organized. Safety pullers allow you to protect your valuables, while the QuickAccess front pockets and a back zippered security pocket add extra convenience.

Key Benefits

- Outer fabric with a coated finish, mainly made from recycled PET bottles
- Lining made from recycled, dope-dyed fibers
