

## Wall brackets

### 00084424 FIX TV Wall Bracket, 3 Stars, 94 cm (37"), black

#### Highlightstext:

- For the installation of flat screen TVs with a screen size from 48 to 94 cm (19" to 37")
- Tested safety: exacting stress, stability and functional tests guarantee high quality standards
- Unobtrusive mount makes the bracket disappear inconspicuously behind the television
- Extremely flat profile allows modern and space-saving interior design
- With the theft protection device, you can secure the TV using a padlock and block the unlocking system
- Especially suited for ultra flat televisions, allows optimal positioning of the flat panel display in any room
- Supports all VESA standards up to 200 x 200

#### Note for Consumers:

Padlock not included in the extent of delivery.

Please note that the padlock's shackle diameter must be 4 to 6 mm.

The bracket can only be unlocked and the TV removed if no padlock is attached.

If you want to install your TV set very close to the wall, this TV wall bracket is exactly the right bracket for your needs. If however you want more distance from the wall, simply use the spacer included.

In addition to the varied installation accessories supplied, we also recommend the following tools for the installation process: drill, pencil, screwdriver, power screwdriver, measuring tape, open-end spanner, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please source suitable dowels and screws from a specialist retailer.
