Lenovo

Designed for the modern office, the Lenovo V15 Gen 2 is a work companion that gets it right. It is equipped for employees working from anywhere, as is the norm today, with features that are best suited for mobile productivity.

Delivering the latest in performance courtesy of the latest 11<sup>th</sup> Gen Intel® Processor, speedy memory, discrete\* graphics, and rapid storage options, the V15 offers a smooth workday. It is made for those who need to create scripts, put together pitches, devise presentations, and take calls on the go. The lightweight construction and durable build quality is a sure step up from the mundane office laptops of years past.

## Lenovo V15 GEN 2 ITL LAPTOP

**Strong Performance:** running the latest gen Intel® processor, the V15 Gen 2 brings reliable performance to the table. Discrete\* NVIDIA® GeForce® MX350 graphics ensures that it is ready to go in an instant, regardless of application or workload.

**Modern, Sleek Design:** with portability and aesthetics a major ask for modern professionals, it delivers. It weighs a mere 1.7kg/3.75lbs. and is only 19.9mm thick with a 15-inch FHD IPS panel and 88% STB ratio. The device comes in a choice of black special texture or iron gray finishes.

**Speedy Memory and storage:** up to 16GB of memory keeps every click responsive. Dual drive\* M.2 PCIe HDD of up to 256GB and up to 1TB HDD ensure responsiveness and vast storage capacity as needed.

**Range of Ports:** connecting to a range of peripherals, be it in the office or when working remotely, is a non-issue through the wide range of I/O, including USB Type-C, HDMI, and RJ45 ports.

### ITDM Benefits

**Manageability:** the Lenovo V15 Gen 2 is made to be familiar and easy to use, simplifying its deployment and management within the existing IT infrastructure.

**Productivity:** up to 11<sup>th</sup> Gen Intel® Core™ i Processors, a wide array of ports, and Windows 10 keep employees efficient for longer.

**Security:** data protection comes with the firmware-based Trusted Platform Module (TPM) 2.0 that encrypts critical information, always protecting data, in the office and on the go.

**Convenience at Hand:** connect to business-grade Lenovo support services with the click of a button. The dedicated Service Hot Key on the F9 function key provides access to warranty information, self-service options, and more.

# Accessories

## ThinkPad 15.6 Basic Backpack

4X40K09936

The ThinkPad 15.6" Basic Backpack offers protection and value for laptops up to 15.6" wide. It features a padded, dedicated compartment for your laptop, plus plenty of internal storage for other work essentials. A convenient front pocket easily stores a small notebook, earbuds, or other essential items. Made of durable fabric, this lightweight, ThinkPad-branded backpack is compatible with all ThinkPad laptops and ultrabooks.

## Lenovo Essential Compact Wireless Mouse

4Y50R20864

The Lenovo Essential Compact Wireless Mouse, designed with your convenience in mind. It's easy to get more done when you don't have to waste time untangling messy cables or searching the office for new batteries. Its compact size makes it the perfect companion no matter what the occasion. Slide it into your pocket, backpack or laptop bag, and you're ready to go.

## Lenovo Essential Stereo Analog Headset

4XD0K25030

The Lenovo Essential Stereo Analog Headset is the perfect solution for business users offering a clear, crisp sound complimented by a sleek, professional aesthetic. Its dynamic rotatable microphone also makes it ideal for both left and right-siders, while its leather and memory-foam ear cups, ergonomic design, and 3.5 mm audio jack make it ideal for VoIP communications.
