

## Cable Tie

00221001 Cable Tie, 4.8 x 300 mm, black, 50 Pcs

### Highlightstext:

- Ideal for permanently securing and bundling cables, wires, pipes or hoses in home, garden and leisure settings
- Resistant to alcohols, oils, greases, water, paints, varnishes, automotive fuels, etc.
- Self-locking cable ties with disposable fastener for permanent bundling or fixation
- Bundle and secure cables or other objects at home, when camping or in the workshop: simply pull the narrow end of the strap through the buckle and pull it together to the individual bundle size
- UV-resistant, therefore also suitable for outdoor use
- If required, 2 cable ties can also be connected to form one long one in order to secure larger bundles

### Note for Consumers:

- To be able to remove cables from the bundle later, it is best not to pull the cable tie completely tight

### Technical characteristics:

- Colour: Black
- Shade of colour: Black
- Width x Length: 0.48 x 30 cm

### Delivery:

- 50 cable tie
