MY430 EQ Rechargeable Mouse

Part Number: K75507EU | EAN Code: 5028252643924

The more sustainable mouse.

Ideal for professionals requiring a fully-featured mouse and organisations putting sustainability at the forefront, the MY430 EQ Rechargeable Mouse delivers productivity and convenience.

MY430's outer case is composed of 65% post-consumer recycled content (PCR), which together with an integrated rechargeable battery aims to reduce our environmental impact.

The mouse can be used wirelessly across three different devices. The onboard rechargeable battery does away with the need for disposable batteries, lasting up to 4 months on a single charge. With six buttons, MY430 provides improved navigation and productivity features which users can enhance further with free KensingtonWorks™ software.

- Connects up to three active devices
- Outer case is composed of 65% post-consumer recycled content (PCR)
- Provides up to 4 months of battery life on a single charge
- 6-button design enhances navigation and productivity
- Silent left/right buttons support a quiet and focused environment
- Customise with free KensingtonWorks™ software
- 2.4GHz receiver provides 128-bit AES government-grade encryption security
- Multiple DPI settings (1000/1600/2400)
- 3-year limited warranty
