

**BOOST↑CHARGE™**

## **Wireless Charging Stand 10W**

Convenient Qi™ certified wireless charging stand that delivers fast wireless power. The cradle designed allows users to charge in portrait or landscape, so watching videos and scrolling through their favorite feed is easy. Just set a Qi-enabled phone onto the stand and charge at up to 9W for Samsung, 7.5W for iPhone, and a standard 5W to all other wireless charging smartphones.

### **Product Benefits**

- Fast wireless charging optimized to charge Samsung at 9W and Apple at 7.5W.
- Just place a Qi-enabled phone onto the stand and start charging.
- Multiple orientation charging mode allows users interruption-free access to favorite and essential apps while charging.
- Case compatible with most lightweight cases up to 3mm for simplified charging while keeping the user's phone protected at all times.
- Qi certified for safe and compatible charging.
- LED light indicates when phone is charging and when a foreign object is detected, so it's easy to know when a phone is properly aligned and charging optimally.
- Quick Charge 3.0-compatible wall charger is included for optimal and easy charging right out of the box
- You can also use the included wall charger to charge Quick Charge-compatible devices from zero to 80% in just 35 minutes
- 2-year warranty provides peace of mind.

### **Technical Specifications**

- 10W
- Available in black and white color

### **Package Includes**

- 10W Wireless Charging Stand
- USB-A to Micro-USB Cable

### **Compatibility**

For Qi-enabled devices

## BOOST↑CHARGE™

### Wireless Charging Stand 10W

#### The Belkin BOOST↑CHARGE Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car, or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors, and USB-C® offer widespread compatibility.

#### The Belkin BOOST↑CHARGE Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Quick Charge 3.0 wall charger and Micro-USB cable are included
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to €2000
