¹The displays have rounded corners. When measured as a rectangle, the screen is 6.06 inches (iPhone 14), 6.68 inches (iPhone 14 Plus), 6.12 inches (iPhone 14 Pro) or 6.69 inches (iPhone 14 Pro Max) diagonally. Actual viewable area is less. ²Service is included free for two years with the activation of any iPhone 14 model. Connection and response times vary based on location, site conditions and other factors. See apple.com/uk/iphone-14 or apple.com/uk/iphone-14-pro for more information. ³Phone 14 models can use a mobile data connection for Emergency SOS. Without a mobile data connection, your iPhone 14 model needs to be connected to a known Wi-Fi network and you must set up Wi-Fi Calling. ⁴Battery life varies by use and configuration. See apple.com/uk/batteries for more information. ⁵Data plan required. 5G is available in selected markets and through selected network providers. Speeds vary based on site conditions and network. For details on 5G support, contact your provider and see apple.com/uk/iphone/cellular. ⁶iPhone 14 Pro, iPhone 14 Pro Max, iPhone 14 and iPhone 14 Plus are splash, water and dust resistant and were tested under controlled laboratory conditions with a rating of IP68 under IEC standard 60529 (maximum depth of 6 metres up to 30 minutes). Splash, water and dust resistance are not permanent conditions and resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage not covered under warranty. ⁷Accessories sold separately. 154409-GBEN
