

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

HDMI - VGA Adapter

Article number: 908977

The HDMI-to-VGA adapter was designed to connect analogue devices such as VGA projectors or monitors to an HDMI port on your notebook or Ultrabook. It converts digital signals to analogue VGA signals, which are often required for projectors or monitors. The compact adapter delivers excellent picture quality at an affordable price.

- HDMI to VGA adapter with short cable
- Great price/performance ratio
- Power supply via HDMI
- Compact design
- Ideal for notebooks with HDMI
- High resolution of up to 1080p
