

SanDisk Extreme PRO® SD™ UHS-II Card Reader/Writer

Pro-level transfer performance in a compact SD™ card reader

AT A GLANCE

- Compact, portable SD™ card reader
- Designed for super-fast SD UHS-II card transfers
- Compatible with UHS-II, backwards-compatible with UHS-I and non-UHS SD cards²
- Compatible with USB 3.0
- Two-year warranty³

FULL PRODUCT DESCRIPTION

The SanDisk Extreme PRO SD UHS-II Card Reader/Writer is designed to increase workflow efficiency for professional photographers and videographers. Small enough for fieldwork, the compact reader is built to handle the high-performance demands of UHS-II card technology and offers support for fast transfer speeds. With a USB 3.0 interface (and backwards-compatible with USB 2.0), the SanDisk Extreme PRO SD UHS-II reader/writer is your best choice for performance and efficiency when paired with a SD UHS-II memory card².

SanDisk products are constructed to the highest standards and rigorously tested. You can be confident in the outstanding quality, performance and reliability of every SanDisk product.

FEATURE AND BENEFITS

- Fast transfer of photos and video
- Increased workflow performance with USB 3.0 interface
- Two-year warranty³
