

RUGGED & FAST / FAST >>> + SS

Power up all your data-hungry devices fast with the OtterBox USB-C to USB-C 3.2 Gen 1 cable. This cable is specifically engineered for USB Power Delivery and USB SuperSpeed data transfer. Braided nylon combats fray and tangles while reinforced strain relief protects that notorious weak spot where the cable and connector attach for remarkable strength and longevity. This OtterBox Premium Fast Charge Cable stretches up to six feet and includes a premium cable management wrap for a simple experience. It's precisely designed to fit OtterBox cases with a seamless connection into the charge port. Upgrade your charging experience with the most powerful OtterBox cable that's built to last. Then create a complete charging portfolio with the OtterBox 18-Watt or greater Wall Chargers or 10,000 mAh Power Banks.
