

HP Integrated Work Center for Desktop Mini and Thin Client

Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client that lets you create a compact desktop solution by combining a display with an HP Desktop Mini, HP Thin Client or HP Chromebox and giving you convenient front access to all of its inputs.

- Save time and work smarter with easy front access to your platform's inputs, connectors, and power buttons. Even better, you don't have to move the entire IWC around during the day to get to them.
- Run your display and HP Desktop Mini, HP Thin Client or HP Chromebox cables through the IWC's guides. Secure the HP Desktop Mini's power brick out of the way in the brick holder on the back of the stand.
- Find your best viewing position with adjustable height, tilt, and swivel adjustment settings.
- Enjoy compatibility with a wide range of monitors, including most of the HP Pro and Elite portfolios and an HP Desktop Mini, HP Thin Client or HP Chromebox.¹
- Get compatibility with a wide range of monitors, including most of the HP Pro and Elite portfolios.¹ The stylish aesthetic also complements and shows off the HP Desktop Mini, HP Thin Client or HP Chromebox¹ positioned front and center underneath the display.
