## TUV Certified Eye Protection

With special light and display technology  
development, Lenovo tablets ensure  
that the display lowers  
harmful blue light when  
appropriate to reduce  
strain on the eyes.

<sup>1</sup> Lenovo lab testing results. All battery life claims are approximate. Actual battery performance will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage.  
<sup>2</sup> Google TV availability varies by region.  
<sup>3</sup> Books and video content not available in all regions. Video content subject to availability of YouTube Kids app. Books content requires the Play Books app. Availability of apps, books, and video content may change without notice. Google Assistant not available in Google Kids Space. Google Kids Space requires a Google Account for your child. Parental controls require the Family Link app on a supported Android, Chromebook, or iOS device.
