Mini-DP-HDMI/DVI-D/VGA Adapter

Article overview: 4370610

Use this compact and practical adapter to connect the Mini DisplayPort on your notebook to an HDMI, VGA or DVI display. It supports resolutions up to Ultra HD 3840 x 2160 at 30 Hz via HDMI, and up to 1920 x 1080 at 60 Hz via DVI and VGA. The small size and low weight make it ideal to carry along in your bag.

- Compact Mini DisplayPort-to-HDMI and VGA adapter
- Supports HDMI plus audio or DVI/VGA (no audio) signals
- Ideal for Surface Pro
- Ultra HD via HDMI (3840 x 2160 at 30 Hz) and Full HD via DVI and VGA (1080p)
- Connect a digital or analogue display with a single adapter
