## KEYSONIC **KSK-8005U**

Full-size keyboard with USB cable

### Feeling good times quite simply

Rubber dome key technology provides a feel-good writing experience. The simple layout provides a clarity - no experiments, no bells and whistles.

### Classic, black

This KeySonic keyboard comes in the classic full-size layout and with a matt black surface. The integrated numeric block allows you to dial numbers quickly and easily.

### Long live the KSK-8005U

With a lifetime of more than eight million keystrokes, the KSK-8005U still does its job where others have long fallen victim to e-waste.
