

V7 Bluetooth Keyboard UK - Black

KW550UKBT

SKU: CA05194

Maximize your productivity and connect to multiple devices via Bluetooth or USB dongle with the KW550 Bluetooth Keyboard from V7. The compact design and ultra-slim profile of the keyboard will look great on your desk. The low-profile design of the keys helps keep typing noise to a minimum, plus they have a great feel and response. Additionally the keys are laser-etched for long term durability and best of all it comes with AAA batteries so you are ready to go right out of the box.

- Easily switch between 2 devices on Bluetooth or connect via USB with included 2.4Ghz dongle
- Designed with low-profile scissor keys for a great typing feel and to keep typing noise to a minimum
- Laser etched keys for durability
- 2-AAA Alkaline batteries included for maximum productivity right out of the box
- Ultra-thin profile, compact space saving design
