

## **Euro Power Supply 5V DC 2A, Level VI**

Part No.: 70227

### **Description**

- Switching power supply with Euro connector
- Highly energy efficient during the voltage conversion, ErP Level VI Compliant
- Input: 100-240V AC, 50-60Hz Output voltage: 5V DC regulated, up to approx. 2A/10 Watts
- Standard DC round plug 3.5mm Outer / 1.35mm inner
- Cable length: approx. 1.5m
- 2 years warranty
