

# DATASHEET

---

ARTICONA is Bechtle's own brand and that of ARP, a member of the Bechtle Group. The wide product range consists of accessories and connection technology for IT workstations. But ARTICONA has far more to offer: extensive quality assurance as well as the knowledge of an experienced team of experts since 1989 enabling ARTICONA to continuously develop in line with current market trends.

## ARTICONA KVM Cable VGA PS/2 1.8 m

Article no. 271129

### Introduction

These grey, high-quality 3-in-1 flex cables include keyboard, video and mouse cables, thus preventing the usual cable clutter and making it particularly easy to keep installations organised, especially with CPU switches. The cables and plugs are made from high quality material to ensure top-notch signal transmission.

Please Note: this cable features a HD15/m plug for connection to the KVM switch.

### Features

KVM switch combo cable with 1 × HD15/m plug to KVM switch side

Thin cable

Transfer rates as with conventional cables

Colour grey
