

LED Light

00004644 "SpotLight Work Area 67" LED Ring Light, Set for Smartphone and Tablet

Highlightstext:

- Perfectly illuminated: whether for beauty, fashion, cooking or DIY, with the LED ring light, create the perfect lighting for all bloggers and vloggers on YouTube, Twitch, Instagram and more
- From warm white to daylight bright: control the colour temperature in 3 stages (2500/3800/5500 K) using the cabled remote control, for the optimised and even illumination of videos and portraits, for example
- From radiantly bright to pleasantly dimmed: the light intensity can be adjusted in 10 stages
- Always the perfect recording position: generous clamping area allows the smartphone to be inserted in portrait and landscape format
- Unusual recording angle: ring light can be pivoted and tilted thanks to the tripod ball head
- Photo studio to go: the compact ring light kit can also be dismantled for transport - perfect for all bloggers and vloggers who are on the go a lot
- Optimised illumination during make-up tutorials or selfie portraits: perfect for videos and seated images
- Tripod legs can be pulled out in 4 stages: adjustable via moving engagement mechanism at the press of a button on the outside of the tripod legs

LED Ring Light:

- 6.7" ring light (outer diameter 17 cm) with 48 LEDs with cable remote control
- Full charge: power supply via the USB-A cable (cable length 175 cm) for connection to a power pack so that the juice never runs out even while on the go
- With cold shoe for attaching LED lights, microphones and action cams, for example

Smartphone / Tablet Holder:

- For many smartphones and tablets: clamp spring holder with toggle switch to increase the size from 6.5 to 17.5 cm
- With recess on the surface for a firm grip, while rubber protects the housing from scratches

Desktop Tripod:

- Height-adjustable desktop tripod from 13.50 cm to 17.50 cm
- Tripod legs can be adjusted individually in order to adapt the tripod perfectly to different surfaces
- Rubber feet for firm grip on smooth, slippery and uneven surfaces
- Can also be used as a selfie monopod: ideal for selfies, video diaries and blogs

- With Bluetooth remote trigger
- Bag for transport and dust-protected storage

Technical characteristics:
