

# HP Poly Mission 415 Monaural USB Wired Headset Classic (C01A9AA)

## Power your productivity

Stay focused and connected with dependable, consistent audio and easy USB setup. HP Poly Mission 415 Classic headset makes every conversation clear and the day more productive.

### Einfache Anschlussmöglichkeiten

Keep work moving with plug-and-play USB Type-C® and USB Type-A connectivity, intuitive inline controls, and easy device management via HP Poly Studio App. These headsets make getting started easy — so you can focus on your work, not your setup.

### Lightweight Comfortable Fit

Stay in the zone with a headset made for long, demanding days. Lightweight materials and soft ear cushions keep you comfortable through meetings, ensuring focus stays on the conversation — not your headset.

### Built for Focused Conversations

Designed for productivity, the HP Poly Mission 415 Classic headset keeps conversations efficient and professional. A single noise-canceling mic and super wideband audio make every word come through clearly.

## Funktionsumfang

### AI noise reduction[1]

AI noise reduction[1] detects and filters ambient sounds so only your voice comes through. Meetings stay quiet and focused without manual muting.

### SoundGuard Digital

SoundGuard Digital[5] technology controls sudden audio spikes and continuous noise to keep levels safe and comfortable throughout the day without distorting speech quality.

### Super wideband audio

Super wideband audio captures a broader frequency range to reproduce voice detail and tone more naturally. Conversations sound closer to in-person speech for clearer calls.

### 32 mm speaker driver

Large 32 mm driver delivers richer audio and sharper clarity, making voices easier to recognize and reducing listening fatigue during long sessions.

### Rotatable microphone boom

A 285-degree rotating microphone lets users wear the boom on either side for comfort and control.

## Technische Daten

<b>Audio</b>	AI enhanced transmit noise reduction; Super wideband audio
<b>Abmessungen (B x T x H)</b>	150 x 180 x 40 mm
<b>Abmessungen (B x T x H)</b>	5.9 x 7 x 1.6 in
