ARTICONA Car Mount with Charging Magnet

Artikelnummer: 4742204

- Lightweight smartphone holder for Apple iPhones with magnet (MagSafe compatible) that also performs the function of an induction charger
- The magnetic ring optimised for Apple MagSafe precisely aligns the smartphone to achieve the best possible charging performance as well as a secure hold
- For use in the car/van or truck
- Combines wireless charging and magnetic phone holder for easy access to your smartphone without the hassle of tangled cables
- The smartphone can be mounted horizontally and vertically in the magnetic holder for optimal navigation use
- Includes two cables (USB-A and USB-C; 1.2 m)
- Inductive charging with up to 10W
- Charging starts automatically after attaching the smartphone
- Overtemperature protection (OTP) and foreign object detection (FOD)

Scope of delivery:

- 1 x Wireless charger with mount for air vents
- 1 x USB 2.0 C to C cable (1.2 m)
- 1 x USB 2.0 C to A cable (1.2 m)
- 1 x User manual
