Comfort handle VX with numerical code, for VX, VX IT – IT 7030.601

created: 14.06.2021 on www.rittal.com/com-en

Product description

Description:	Flexible access opportunities with individual 4-digit code.
Benefits:	Enhanced security by regularly resetting the code Emergency opening and overwriting of the code is possible with a 40 mm semi-cylinder to DIN 18 252
Function principle:	The 4-digit code may be set individually by the user Programming mode can only be accessed via the set code Once the code has been entered or used, it is automatically reset to the digits "0000" so that it cannot be read by a third person once the handle has been opened May be opened in an emergency situation or if the code is forgotten using the master key function with key
Material:	Die-cast zinc Plastic
Colour:	RAL 9005
Protection category IP to IEC 60 529:	IP 30
Supply includes:	Handle Handle adaptor for VX IT aluminium glazed door and VX IT aluminium sheet steel door, vented (door hinge on right/left) Assembly parts
