SCREENFORCE[®] TruePrivacy[™] Screen Protection

Product Benefits

1. Protect your private information on your iPad with this innovative 2-way side filter that reduces vision from a 30° angle for privacy in landscape mode, even in a crowd
2. Easily remove and store while on the go using the included panel
3. Preserve the native experience of Apple devices with the amazingly thin material that enables touchscreen sensitivity and Apple Pencil compatibility
4. Made with micro-louver technology

The Belkin ScreenForce Family

Maximum privacy concentrated into the thinnest possible element. SCREENFORCE is engineered to look and feel like the screen it protects, preserving clarity and touchscreen sensitivity for a barely-there experience.
