

## Pillar

00126815 "Alu" Laptop Stand, Height-adjustable, Tilting, up to 40 cm (15.6"), silver

### Highlightstext:

- Height-adjustable laptop stand with individually adjustable angle of tilt: high-quality support arms enable comfortable use of the laptop at the desk or workstation
- Infinitely height-adjustable: the notebook stand brings the laptop to the perfect working height, ideal in the office and for mobile working
- Vertical angle of tilt can be flexibly adjusted, ideal for ergonomic working on the laptop while seated and standing
- Stand function for easy positioning of the device
- Non-slip rubber pads for a stable position also protect the resting surface from scratches
- Style for the desk: sturdy and stylish aluminium surface with angled edges in a high-gloss finish
- Flexibly adjustable height makes an ergonomic posture and seating position easier thanks to individual raising of the laptop
- Stepless tilt: more comfort thanks to customisable tilt angle
- Non-slip rubber pads on the underside ensure a secure grip of the laptop on the table
- Additional rubber pads on the sliding edge prevent scratches and slipping of the notebook on the stand itself
- Stable resting surface prevents overheating of the laptop on the stand since the ventilation slits are not blocked
- Recommended for laptops with a display size of max. 40 cm (15.6"): suitable for 10", 11", 12", 13", 14", 15" and all sizes in between up to 15.6"

### Technical characteristics:
