

Wall brackets

00118073 FIX "Professional" TV Wall Bracket, 203 cm (80"), 600 x 400, black

Highlightstext:

- For the installation of flat screen TVs with a screen size from 94 to 203 cm (37" to 80")
- Tested safety: exacting stress, stability and functional tests guarantee high quality standards
- The TV can be hung in the bracket and locks securely without any additional tools
- With the theft protection device, you can secure the TV using a padlock and block the unlocking system
- A pull on the release cords releases the mechanism and the TV can be removed
- Tested according to the criteria of a recognised testing body for use in public places, such as in hotels or conference rooms
- Fold-up arms: more space during assembly, additional cables can be connected quickly and easily
- Unlocking tabs can be invisibly stored with magnets

Note for Consumers:

Padlock not included in the extent of delivery.

Please note that the padlock's shackle diameter must be 4 to 6 mm.

The bracket can only be unlocked and the TV removed if no padlock is attached.

In addition to the varied installation accessories supplied, we also recommend the following tools for the installation process: drill, pencil, screwdriver, power screwdriver, measuring tape, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please source suitable dowels and screws from a specialist retailer.
