

HP 22 Tri-colour Inkjet Print Cartridge

Families and personal users who are looking for an affordably priced printing solution to satisfy modest printing needs.

Brilliant photo colour quality.

- Impressive colour for long-lasting photos from patented dye-based inks and advanced inkjet print cartridge technology.
- Good lightfastness – prints resist fading longer.
- Keep your documents for a long-term reference. Printed text from this HP ink remains dark and sharp longer.

Print vibrant colours every time with your HP printer.

- Results you can count on across a broad range of plain papers and speciality media.
- Print greeting cards, homework assignments, letters, e-mail, information from the Internet, and reports with confidence.
- HP quality and reliability ensures your printing tasks are easy and results are genuine HP quality.

Simple to install and easy to use.

- HP inkjet printing supplies and printers are designed to produce consistently great results every time you print.
- A precision-engineered and tested system of supplies and printers designed together to work together.

The HP 22 Tri-colour Inkjet Print Cartridge produces brilliant, long-lasting photo-quality output using patented dye-based inks formulated to work precisely with your HP printing system for outstanding results every time.
