Foam Cleaner 400ml

Article overview: 4192885

This universal foam cleaner is suitable for use on copiers, glass surfaces and anti-static screens.. It contains active substance for the removal of fat and dirt residue on all kinds of glass surfaces: The foam is a firm and fast-acting substance which won't run off vertical surfaces. Gently cleans glass and plastic surfaces on screens, scanners, copiers thoroughly and streak-free.

- Is anti-static, and so significantly reduces new dust deposits
- For copiers, glass surfaces and screens
- Comes in a practical aluminium can
- Combats grease and dirt residue on all types of glass surfaces
