*Housing (excluding cable and power supply) is made of a minimum of 60% post-consumer recycled plastic.

[†]Supports fast charging for Apple Watch Ultra, Apple Watch Series 8 and Apple Watch Series 7. Supports standard charging speeds for Apple Watch Series 6 and earlier. Fast charging will provide charging from 0% to 80% in about 45 minutes. Apple Watch Ultra battery level can go from 0% to 80% in about an hour. Testing conducted by Belkin in May 2023 using Apple Watch Series 8 45mm Aluminum with Sport band (GPS), Apple Watch Series 7 45mm Aluminum with Sport band (GPS), Apple Watch Series 7 41mm Aluminum with Sport band (GPS) and Apple Watch Ultra with Alpine Loop; all devices tested with latest watchOS 9.4 software and Belkin BoostCharge Pro 2-in-1 Wireless Charging Dock with MagSafe. Charge time varies with region, settings and environmental factors; actual results will vary.

[‡]Belkin will repair or replace electronic devices damaged by an electrical charge while properly connected to this charger, up to \$2500US. Visit belkin.com/cew for details.

[§]Belkin has sold more units than any other third-party wireless charging brand since Jan. 2014. The NPD Group, Inc. U.S. Retail Tracking Service, Mobile Power, Charger Wireless, Jan. 5, 2014, to Feb. 11, 2018.

Use of the Made for Apple badge means that an accessory has been designed to connect specifically to the Apple product(s) identified in the badge and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with an Apple product may affect wireless performance.
