

LED Column lamp MAULpino high performance, dimmable

- **Smart, stylish floor lamp for indirect, high-performance lighting**
- **Particularly powerful within the MAULpino family: High illuminance for larger rooms, communication zones, and reception areas, as well as professional commercial lighting designs**
- **Made in Germany: Developed and manufactured in Germany, 5-year warranty**
- **Convenient: Easy operation exclusively via smartphone using the "Meshle" Bluetooth app**
- **Halogen-free power supply: No corrosive or toxic gases in the event of a fire**
- **Dimmer continuously adjustable depending on ambient light and individual requirements**
- **As ambient lighting, for representative purposes, or as accent lighting**
- **Sturdy:** Column made of high-quality aluminum profile with decorative grooves; base made of sturdy steel with floor-protecting felt pads
- **Minimalist design:** Stripped down to the essentials for a modern, clean look
- **For office and communication areas, in hallways or reception areas, in galleries, and at home**
- **Bluetooth mesh network with encrypted communication for long range, no cloud or internet connection required**
- **Expandable with a gateway for Alexa integration, available at meshle.de**
- **Can be used without a smartphone via a battery-free remote control, available at meshle.de**
- **Meshle made in Germany (app and light fixture firmware)**
- **Halogen-free power cord:** low fire spread, remains flexible even with frequent movement, minimizes damage from cable breakage
- **For wall & corners:** Light column in the base can be rotated 45° during installation

- Uniform light distribution and protection against dust: High-quality polycarbonate diffuser, easy to clean
- IP20 protection rating
- Light source and controller can be replaced by a qualified electrician; ballast can be replaced
- Packaging made of cardboard, without plastic components

Colour temperature per light source: 4.000 Kelvin (neutral white)
 Number of light sources: 1
 Energy efficiency class per light source: C (spectrum A to G)
 Weighted energy consumption per light source: 25 kWh/1000 h
 Service life L70B50 per light source: 50.000 h
 Useful luminous flux per light source: 3848 lm
 Base: base
 Material: Column: Aluminium - Foot: steel - Base: Bodenschoner aus Filz
 Dimensions: Height: 143,2 cm - Base: 16 x 16 cm
 Position of the switch: without switch
