2× 4K 85 W USB-C Dock
Article number: 4813629

With an ARTICONA docking station, up to two monitors can be connected via HDMI. Add USB, Ethernet and audio connectivity to your notebook with this dock. The dock charges the notebook with up to 85 W. The dock can be mounted behind a monitor using a VESA mounting plate.

Highlights:

- 1× USB 3.1 Type-C male (connection to notebook, cable length 1 metre)
- 3× USB Type-C 3.1 female (1× only Power Delivery up to 85 W)
- 4× USB 3.0 Type A female
- 2× HDMI(A) female, monitor connection
- 1× RJ45 female (network, 10/100/1000 Mb/s)
- 1× 3.5 mm audio jack (microphone, headset or headphones)
- 1× Kensington slot

Notes:

DisplayLink driver must be installed for monitor connection (https://www.displaylink.com/downloads) The integrated RJ45 port supports PXE Boot as long as the connected notebook also does. Customers in the United Kingdom and Ireland are advised to separately purchase a power cable with a C5 - UK plug.
