

PLASMA-W2500BLACK NEWSTAR FLAT SCREEN WALL MOUNT

The PLASMA-W2500BLACK is a motorized wall mount for flat screens up to 100".

With the NewStar PLASMA-W2500BLACK automatic height adjustable floor stand you place a large format flat screen on the floor and anchor it to the wall with the included wall mounts (7 cm distance). Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Perfect to use in a class room, boardroom, presentation room or public entrance.

The PLASMA-W2500BLACK is suited for screens between 42" - 100" and has a load capacity of 150 kg. The mount is suitable for screens with a VESA hole pattern of 200x200 to 800x600 mm.

The mobile electric floor lift is automatically height adjustable over a height of 50 cm with a remote control. From the floor to the center the distance of the screen is variable from 118-169 cm. The position can be perfectly leveled with four adjustable feet under the central column.

Behind the screen is a 6 cm deep space available to mount a media player or mini-computer. Cables can be guided at the back of the mount. The NewStar PLASMA-W2500BLACK comes in a black RAL 9005 color and all installation material is included with the product. Warranty: 5 year.
