Create your
next great work with
workstation-class
performance for entry
design and creative
applications.

DELLTechnologies

PRECISION
3580

Create your next great work.

Lightweight mobile workstation made for affordable performance, with intelligent features.

Up to FHD IR camera with AI-based EMZA proximity sensors, contextual privacy, privacy shutter and intelligent noise cancellation

Change the starting weight to:
3.56 lb (1.61 kg)

Advanced thermal management, with Dual Opposing Output (DOO) fan and User Selectable Thermal Tables

Pro2 ID keyboard with an optional backlight and a 10-key number pad

15.6" display with up to FHD 100% sRGB, 400 nits, PremierColor, Touch and ComfortView Plus, Low blue light (LBL) and Super Low Power (SLP)

Optional Finger Reader, integrated with power button
Windows Hello compatible

Titan Gray

Large glass-like, multi-touch clickpad

Up to 3-cell, 54 Whr, Long Cycle Life, ExpressCharge™, 3-years Warranty

Optional mobile broadband 4G LTE or 5G

Up to WiFi 6E (6 if 6E unavailable), Bluetooth 5.3

Intelligent performance
Latest professional grade components with up to 13th Gen Intel® Core™ i7 processor, 14 cores (6P+8E) processor (28W), NVIDIA RTX A500-class graphics (4GB), PCIe M.2 SSD (up to 3TB) storage, and 64GB of 4800MHz DDR5 memory (dual channel)

Wide variety of ports and input connections:
(2) Thunderbolt 4 Type C, (2) USB 3.1 Gen 1 (1x power enabled), HDMI 2.0, RJ-45, universal audio port, microSD-card slot, nano-sim slot (for WWAN configurations only), Smart Card (optional), Fingerprint reader (optional)

2

3580

Mission critical reliability and Security

Independent Software Vendor (ISV) Certified
This provides peace of mind knowing that Dell works with many independent software vendors (ISVs) to provide an exceptional, seamless user experience. To Dell, it means hundreds of engineering man-hours and rigorous testing that have been poured into Dell Precision™ workstations to optimize performance and reliability with leading industry applications.

For a full list of ISV certifications, click here http://precisionworkstations.com/software-certification-lookup

…

Tested to US military specifications to guarantee durability (MIL-STD tested)

…

FIPS certified fingerprint and smartcard readers (optional)

…

Intelligent privacy and enhanced contextual privacy through camera

Advanced productivity

Exceptional battery life helps keep you productive, while ExpressCharge and ExpressCharge Boost gets you recharged quickly.

…

Has up to 5G mobile broadband, FirstNet Certified, Wi-Fi 6E (6 if 6E unavailable) and Bluetooth for flexible connectivity options.

3580

Dell Optimizer
We make it intelligent. You make it yours.

In a work-from-anywhere world, powering the world's most intelligent business PCs* is not enough, Dell Optimizer is extending personalized intelligence to the rest of the Dell ecosystem.

Dell Optimizer lets you accomplish anything with built-in intelligence that learns and adapts to the way you work.

Elevate your work on the field with personalized performance extending from your Precision Mobile Workstation to the other Dell devices you use.

An intelligent ecosystem
Enjoy easy pairing and management of your Dell monitors and accessories with the integration of Dell Display Manager and Dell Peripheral Manager.

Extended power
ExpressCharge analyzes your power usage habits to improve PC battery utilization and extends run times by charging your system faster when you need a boost in power.

Improved app performance
ExpressResponse analyzes how you use your preferred apps to boost performance.

Be heard in the field
In busy, noisy environments, Intelligent Audio delivers sound and mic enhancements and reduces background noise using neural noise cancellation and voice isolation technology.

With Dell Optimizer, optimization and data collection follow a stringent process to ensure your privacy and security.

Click here to learn more about Dell Optimizer.

Simplified manageability
Elevate work experience with an easy-to-manage application that provides a seamless experience for both end-users and IT decision-makers.

Unmatched connectivity
ExpressConnect provides the world's first simultaneous multi-network connection* that joins the best network available and provides faster download speeds.

Dell Optimizer features vary per PC model and platform. Please refer to the Availability Matrix for more details.

MOBILE WORKSTATION SOLUTION

Dell UltraSharp 34 Curved USB-C Hub Monitor - U3423WE

Get immersive productivity on a 34" WQHD curved monitor with a wide color coverage and extensive connectivity including RJ45, USB-C and quick-access front ports.

Dell Pro Wireless Headset - WL5022

Work from anywhere with this Bluetooth Teams certified headset that lets you switch seamlessly to your PC or smartphone and enjoy crystal clear audio on the go.

Dell Thunderbolt 4 Dock - WD22TB4

Modular Thunderbolt 4 dock with swappable modules for easy upgrades and SuperBoost technologies for fast charging.

Dell EcoLoop Pro Briefcase - CC5623

Designed for on-the-go productivity and protection, the Dell EcoLoop Pro Briefcase is made of eco-conscious material to complement any lifestyle.

Dell Pro Wireless Keyboard and Mouse - KM5221W

Get productive with a quiet, full-size keyboard and mouse combo with programmable shortcuts and 36 months battery life.

Dell Pro Webcam - WB5023

Experience industry leading video quality and picture clarity in any lighting with this intelligent 2K QHD webcam.

Sustainability on Dell Precision 3580

Delivering innovative technology and solutions to reduce our environmental impact, for ourselves and our customers.

Sustainable Materials

Our use of sustainable materials helps reduce the environmental impact of making and recycling them.[+]

- · 20% carbon fiber in the lid of the product
- · Recycled plastics in multiple locations of the product[++]
- · 28% ocean bound plastic in fan-housing
- · Tall oil-based plastic in the lid (21%), castor oil-based rubber in the feet of the product (42%)
- · 50% recycled copper in AC adapter cable

[++]90% recycled plastics in AC adapter exterior, 50% PCR [palm rest, inner frame, bezel, battery frame], 35% PCR [SSD frame], 30% PCR [lid, speaker housing, LCD cover antenna window]

Packaging Innovation

Ships in new enhanced **100% recycled or renewable packaging that is also 100% recyclable**.[+++] Multipack shipping available on eligible products.

Ecolabels

Eco-labeling standards drive sustainability further by helping customers understand electronic products and the companies that make them. This product meets the following standards:

Recycle

Securely and responsibly retire your IT equipment with Dell regardless of brand, in support of a circular economy. Learn more at Dell.com/Recycle

See how we are reducing the impact of our products and solutions
Dell.com/Sustainable-Devices

* Castor oil-based material rubber in the feet Tall oil-based bioplastic in the lid Ocean bound plastic in the fan housing Carbon fiber in the lid Recycled copper in AC adapter cable Recycled plastic in lid, AC adapter exterior, palm rest, inner frame, bezel, battery frame, SSD frame, speaker housing, LCD cover antenna window Packaging is made from 100% recycled or renewable content and is 100% recyclable.

** Based on internal analysis, January 2023. Select Precision Mobile Workstations (3480, 3580, 3581).15P-H battery pack housing variants do not contain PCR.

*** Up to 39.5 % recycled content and 60.5 % renewable materials in the form of FSC fibers. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics. See local recycling guidelines.

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Setup and Specifications published on www.dell.com/support.

2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.

3. 4 GB or Greater System Memory Capability: A 64-bit operating system is required to support 4 GB or more of system memory.

4. Particular versions of Microsoft Windows may not support the full Bluetooth 4.2 functionality.

5. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

6. TPM is available in selected regions.

7. Computrace: Not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.lojackforlaptops.com.

8. Please refer to https://www.epeat.net for specific country registration rating and participation.

9. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

10. Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually with business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

11. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit https://www.dell.com/servicedescriptions.

12. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information www.dell.com/support/home/us/en/19.

13. Based on Dell analysis, January 2023. Applies to Precision 3000/5000, Latitude 5000/7000/9000, Inspiron 16 Plus (7630), and Inspiron 14 Plus (7430). Recycled copper is 50% of total copper weight in the power adapter cable.
