CS520

Over-the-head (binaural)

CS530

Over-the-ear

CS540

Convertible

RECOMMENDED ACCESSORIES

- HL10 Handset Lifter adds remote call answer/end convenience
- Electronic Hookswitch Cable electronically adds remote answer/end convenience, eliminating the need for a Handset Lifter

Quick set-up and high-quality audio. Pair with a base unit simply by docking the headset, enabling quick set-up in hot-desk environments. CAT-iq wideband, DSP and a host of other advanced audio features deliver crystal clear, natural voice call clarity.

SUPERIOR COMFORT AND CALL MANAGEMENT

- Gain mobility – multitask hands-free up to 120 metres
- Audio controls volume/mute at your fingertips
- Conference in up to three additional headsets for enhanced collaboration
- Offers you a choice of three comfort-tested wearing options* to match your personal style
- Use with Electronic Hookswitch Cable or Handset Lifter to remotely answer/end calls (sold separately)

OUTSTANDING AUDIO QUALITY

- DECT technology provides better audio; eliminates interference from Wi-Fi networks
- Advanced wideband audio using CAT-iq technology for high definition voice quality
- Noise-cancelling microphone reduces background noise interruptions, ensuring great audio quality and easing listener fatigue
- Enhanced Digital Signal Processing (DSP) provides more natural sounding voice
